

**Typographical Error on Remittance Advice Statements for Medicaid Pay Cycle
January 3, 2020**

Please be advised there is a date error on the Remittance Advice (RA) statements associated with the January 2, 2020 pay cycle for our Medicaid line of business. The “Payment Date” on the RA inaccurately populated with 12/30/2020 instead of 12/30/2019. Please note the run date at the bottom of the statement correctly identified that the statement is for the last pay period of 2019.

We apologize for any confusion this may have caused. Please be assured there are no other inaccuracies impacting the RA statement.
